## Standard Child Safeguarding Course

This course is developed to give all who work, volunteer, or have contact with children or young people, their partners and/or families; an introduction to safeguarding and to raise awareness of:

- \* Legislation and guidance
- \* The recognition of child abuse
- \* How to respond to concerns
- \* Who to contact when there is a concern
- \* Fulfilling "duty of care"
- \* Safe practice and keeping children safe

Upon the successful completion of this course participants will be able to:

1. Describe appropriately the signs and symptoms of the possible abuse or neglect of the children and young people with whom they come into contact.
2. Explain which individuals, organisations and reference documents they should refer to, and take advice from, if concerned about a child or young person's wellbeing.
3. Describe how to evaluate risk when considering whether or not to request consent to share information about a child or young person with the statutory authorities.

This SAFE CIC quality assured course meets the training requirements of the Care Quality Commission, Ofsted and the educational criteria required for Levels One and Two required for verifiable enhanced Continuing Professional Development under the General Dental Council's Lifelong Learning Scheme. It represents 3 hours of verifiable CPD, learning outcomes A and D.
